Quarterly Electricity Statement

Thank you for being a customer. This statement covers the period from January to March. Your meter was read on the fourteenth of March and the reading was confirmed by our field technician. The total amount due is listed below together with the payment options available to you. If you have questions about this invoice, please contact our support office before the due date. Payments received after the due date may incur a late fee as described in the terms of service. To save paper, you can register for electronic statements on our website at any time.
